

**Publikationer med tilknytning til
DEFACTUM RS og/eller Aarhus Universitet, Institut for Folkesundhed
publiceret i 2017 opdelt på:**

- A. Artikler, der har været i ekstern peer review
- B. Afhandlinger
- C. Bøger eller bidrag til antologier
- D. Artikler, der ikke har været i ekstern peer review og rapporter
- E. Accepterede artikler, der har været i ekstern peer review

A. Artikler der har været i ekstern peer review:

Aasdahl L, Pape K, Vasseljen O, Johnsen R, Gismervik S, Halsteinli V, Fleten N, Nielsen CV, Fimland MS. Effect of Inpatient Multicomponent Occupational Rehabilitation Versus Less Comprehensive Outpatient Rehabilitation on Sickness Absence in Persons with Musculoskeletal- or Mental Health Disorders: A Randomized Clinical Trial. J Occup Rehabil 2017 Apr 11.
